Re: Open Records Request

Dear Ms. Hankins:

As you know, we regularly request caseload data from GPDSC, and appreciate your assistance in responding to these requests. We now write to request updated information, pursuant to the Georgia Open Records Act. Specifically, I am writing to request the following caseload data for each of the circuit public defender offices for fiscal year 2013 (if available):

1. Documents reflecting the following: (a) total number of cases appointed during FY 2013; (b) total number of cases pending as of August 28, 2013; and (c) total number of cases closed during FY 2013. For this request, we ask that you include all case types (e.g., felonies, misdemeanors, juvenile adjudications, appeals, and local ordinance violations). We also request this information by attorney.
2. For closed cases, we request disposition information. In the past, GPDSC has titled this document, "Case Disposition Statistics".

We appreciate a response within three days as required by the Georgia Open Records Act, excluding extenuating circumstances, and are prepared to pay any reasonable search and retrieval costs.

Please do not hesitate to contact me at (404) 688-1202 or ahollie@schr.org if you have any questions or would like to discuss this request.

Thank you for your prompt attention to this request, and for your assistance with past requests.

Sincerely,
s/Atteeyah Hollie
