Accepting Your Diploma Tube

After the speeches, the presentation of the LL.M. candidates and the conferring of degrees to the J.D. candidates, each graduate will walk across the graduation stage to accept a diploma tube as one of the Honorary Marshals reads their name aloud. The GradImages Photography Co. has been engaged to take individual photos as you cross the graduation stage and accept your diploma tube. Family members and friends are welcome to take their own photos of this particular moment. Space is limited in front of the

stage so we ask that individual photographers only stay at the front to snap photos of their graduate and then leave the area so others may come forward.

Diploma

The diploma tube you receive on Saturday does NOT contain your diploma. Diplomas will be mailed to graduates once all grades are in and honors have been determined (e.g., *cum laude, magna cum laude, etc.*) Generally, diplomas are mailed in late June. **For framing purposes, the size of the diploma you will receive is 12" x 15".**

Length of Commencement Ceremony

The ceremony can last anywhere from 75 minutes upwards to 90 minutes.

Live streaming will be available on the law school website.

Returning regalia and the diploma tube

After the graduation ceremony concludes and you have taken all the photos you want with friends and faculty members and you are ready to leave the quadrangle, **please return the gown, hood, tam, and diploma tube to the graduate robing area.** The purple tassel is yours to keep.
