

**MSW/JD DUAL DEGREE  
Program of Study**

Sequence of Study

Two sequences of study are possible to complete the MSW/JD degree.

A-B-C-D

Or

C-A-B-D

MSW/JD candidates must complete the first and second years of Law School study consecutively. MSW/JD candidates are encouraged to complete all required Law School courses, including the Law and Ethics of Lawyering, by the end of Year B. Although Law School Courses may be taken in Year C or Year D, there is the risk of a required course conflicting with the School of Social Work schedule and interfering with the timely completion of the program.
