

2014-15 New Officer Information from Tricia Hackleman, Student Affairs Advisor:

- 1. **Student Activity Fee Allocations.** All reimbursement requests should be submitted to Tricia Hackleman in Room 109 of Hirsch Hall. Things to pay attention to **before** you spend any money:
  - All reimbursement requests should be submitted to me in Room 109 of Hirsch Hall.
  - Before utilizing your allocated budgeted funds, please ensure that you understand what forms and documents will be required in order to be reimbursed. Typically, student organizations will need to keep all original, itemized receipts and submit the "general reimbursement" form. However, please check BEFORE making a purchase. Some purchases require a check request or direct payment from a university account.
  - I can provide account information for direct payment for campus vendors like the Ramsey Center, Tate Print & Copy, etc. Please ask before paying for services on campus for your student organization.
  - Honorariums for speakers require the completion of the vendor form by the speaker at <u>vendors.uga.edu</u> AND the completion of the honorarium form <a href="http://www.busfin.uga.edu/forms/f210.pdf">http://www.busfin.uga.edu/forms/f210.pdf</a>, which must be signed by the speaker and the student organization leader. Then, submit the honorarium form to me.
  - If you are seeking reimbursement for food, you will need to submit the "general reimbursement" form, and **original, itemized** receipt, and:
    - 1. list of all UGA students present at the event along with each student's uga.edu email address;
    - 2. flyer/email showing that the event was advertised as open to all students (this flyer/email may not reference the availability of alcohol at the event); and
    - 3. "Department of Campus Life Justification for Food Purchase" form.
      - Please note that the allowable per diem limits per person are \$6 for breakfast, \$7 for lunch and \$15 for dinner.

- If you tip a server or delivery driver, the legible signature of the server and the printed name must be on the receipt.
- o REMEMBER: ONLY 20% of your allocated funds may be used to purchase food or beverages.
- Forms can be found at <a href="https://www.law.uga.edu/georgia-law-student-organization-resources">www.law.uga.edu/georgia-law-student-organization-resources</a>.
- Please also note that <u>no group will be reimbursed</u> with allocated student activity fee funds if the student organization is not registered with the UGA Center for Student Organizations. You **MUST** be registered. You cannot expend funds, then register, and hope to be reimbursed retroactively with student activity fee funds. If you do not register for 2014-15, then you will lose access to your organization's allocated funds.
- If you have questions about registration, contact the UGA Center for Student Organizations office. The person who attended the Spring Student Leader Training Meeting should be able to register his/her organization by going to <a href="https://uga.collegiatelink.net">https://uga.collegiatelink.net</a>. Login with MyID and Password, click on "organizations," and then down the page find the "register a new organization" tab. Submit all of the required information for the registration process.
- Student activity fee funds may never be used to purchase alcohol. Receipts submitted for reimbursement may not reflect the purchase of alcohol.
- BEFORE YOU BUY SUPPLIES, check with me first. I have a number of items that can be checked out by student organization leaders: table cloths (round, rectangle, and square), UGA Law podium and table drapes, water bottles for speakers, thank you cards, platters, serving tongs and spoons, ice bowls, nametags, and other items. You may be surprised what can be provided for your events. Please kindly notify me at tihlaw@uga.edu at least 48 hours prior to your event if you will need to utilize any of these supplies so that I can have them ready for you.
- 4. Check your **student organization mailbox** in Room 109! Some groups are great about this, some are not. Please check your mail!
- 5. Check your student organization's supplies in the **student organization room** located on the first floor of Hirsch Hall (Room 136G). You may have items that you don't even know that you have! The key is available in Room 109. DO NOT leave open food or drink in this room; trust me, don't.
- 6. Check <u>www.law.uga.edu/georgia-law-student-organization-resources</u> often. This is where deadlines, forms, policies, and other important information for student organizations can be found.

7. **Confirm your student organization staff/faculty advisor** for 2014-15 and let me know the person that will be filling that role for your organization. If you aren't sure who that has been, please check with me.

You should contact your staff/faculty advisor if you would like to send emails about your organization events to a faculty or staff listserv.

8. **Reserve a room for events**. Room requests within the Law School should be made at least 48 hours prior to the event at <a href="www.law.uga.edu/room-reservation-request">www.law.uga.edu/room-reservation-request</a>.

If your event requires access to Law School rooms outside of regular campus business hours (exterior doors are locked at 6 p.m., Mondays through Fridays, and at all times Saturday and Sundays), UGA Card electronic building access may be arranged by contacting Marc Galvin, School of Law Facilities Coordinator, <a href="magalvin@uga.edu">magalvin@uga.edu</a>, or, (706) 207-0669.

If you reserve the Larry Walker Room on the  $4^{th}$  floor of Rusk Hall, please arrange with me to check out keys to that room and the related supply rooms on the  $4^{th}$  Floor of Rusk Hall. I have the keys for student organizations to use.

Note: If you do not return the keys to the Larry Walker Room, then your student organization is responsible for the replacement costs for the keys. In addition, all tables and chairs must be set up by the student organization before an event and returned to the storage closet at the conclusion of the event. In addition, all items utilized by the student organization must be removed from the kitchen at the conclusion of the event.

- 9. **Ice.** I can provide you with a key to the ice machine if you need ice for your events. Please plan in advance if you need ice because the ice machine is located in Rusk Hall and it will take time to load and transport it to Hirsch Hall for events.
- 10. If your event is being held at a location outside of the law school, make sure that your Event is added to the **Law School Events Calendar**. Contact <a href="mailto:lawcomm@uga.edu">lawcomm@uga.edu</a>.

Also, please check the **Law School Events Calendar** before you schedule an event or just to see what is coming up in any given week.

- 14. The cost of **copies and mail** on law school equipment are billed to your organization. Please check with me before making any copies on law school copiers or mailing any letters from the law school for your organization to ensure that you have the funds in your budget line to cover these expenses. **Each registered student organization is permitted 1200 complimentary copies in Room 242 of Hirsch Hall**, but will be billed at \$0.10 per copy thereafter. There is **no** complimentary mail service.
