Please share specific comments below.	Hall's Legal Profession class is way more chill than other professors' classes, but you still get all the information you need for the MPRE. Definitely the class for you if you want a more laid back class.

Please share specific comments below.	I only recommend the class. NOT the professor. Hall is not good at conveying the material, you'll be bored to tears, and you'll probably get a B+. He gives everyone the same grade, so if you're cool with not working too hard and getting a B+, this might be the class for you.
