1	Shipley does not really call on people unless he knows you. If you happen to talk to him before class then there is a good chance that he will call on you, but even when he does he is not intense. He allowed people to be a few minutes late because it was an 8:30 class. He is a lot of fun and I would suggest this course if you are interested in IP or business. There is a lot of reading so you may not want to take it if you are just casually interested, we practically read the entire text of 1000 pgs.	Mar 4, 2012 5:50 PM
2	Shipley was very easy-going - he didn't mind people coming in late for the 8am class. Pretty entertaining as well	Feb 13, 2012 9:53 AM
3	This is a great course. If you have any interest in the subject matter, take this class.	Feb 6, 2012 9:45 AM
4	The only downside to taking a Shipley class is the coverage on the exam... it's very scattershot. The test covered no more than a third of the material we went over in class.	Feb 6, 2012 9:41 AM
