WEPA

Wireless Everywhere Print Anywhere

What does it cost:
The Law Library supports the WEPA print kiosk system. WEPA kiosks will accept payment from Bulldog Bucks, visitor cards, debit/credit cards, and venmo. Printing is 7 cents per B&W page and 50 cents per color page. A 20 cents surcharge per job is added unless you deposit money to your WEPA account. Add money by visiting:

Connecting a laptop to WEPA:
You can install WEPA as a printer on your personal laptop by visiting: http://support.wepanow.com/windows-print-app/
or http://support.wepanow.com/mac-print-app/

Connecting via mobile app:
WEPA provides apps for both iOS and Android devices.

Using a flash drive (or other USB storage device) with a WEPA kiosk:
Insert the device, look on the kiosk screen for the document to be printed.

Using the WEPA Cloud:
Any device with an internet connection can upload a document into your WEPA cloud account. Use your MyID or register to set up an account. After uploading a document, you can access that same cloud account on the WEPA kiosk and choose your document(s) to print.
